

Usage / Deployment Instruction

Use the browser to access the application at <http://<instance ip address>> replace <instance IP address> with the actual IP address of the running ECS instance.

Below are the installation steps:

Step 1: Read license agreement

The screenshot shows the OpenCart installation interface. At the top left, it indicates '1/4 License agreement' with the instruction 'Please read the OpenCart licence agreement'. The OpenCart logo is in the top right. The main content area displays the 'GNU GENERAL PUBLIC LICENSE' text, including the version (3, 29 June 2007) and copyright information (© 2007 Free Software Foundation, Inc. <http://fsf.org/>). A 'Preamble' section is also visible. On the right side, there is a navigation menu with 'License' selected, and options for 'Pre-Installation' and 'Configuration'. Below the menu is a 'LANGUAGE' dropdown button. At the bottom right of the license text area, there is a blue 'CONTINUE' button.

Step 2: Check Configuration settings

2/4 Pre-Installation
Check your server is set-up correctly

1. Please configure your PHP settings to match requirements listed below.

PHP Settings	Current Settings	Required Settings	Status
