LGMS PCI WIZARD

Get Started

To get started, click “**Begin**”.

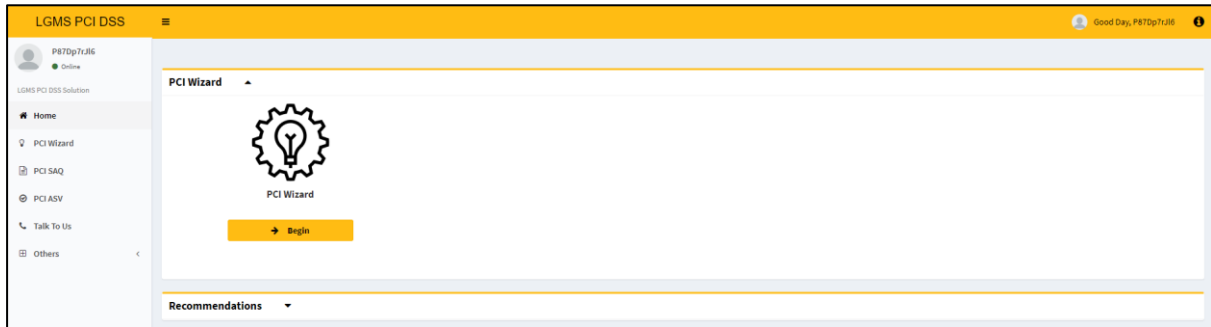

Figure 1: User Home Page.

LGMS PCI WIZARD

PCI Wizard

A series of question with clear and precise description/explanation will be asked. Choose the options that suits organization’s nature the most, click “Next”.

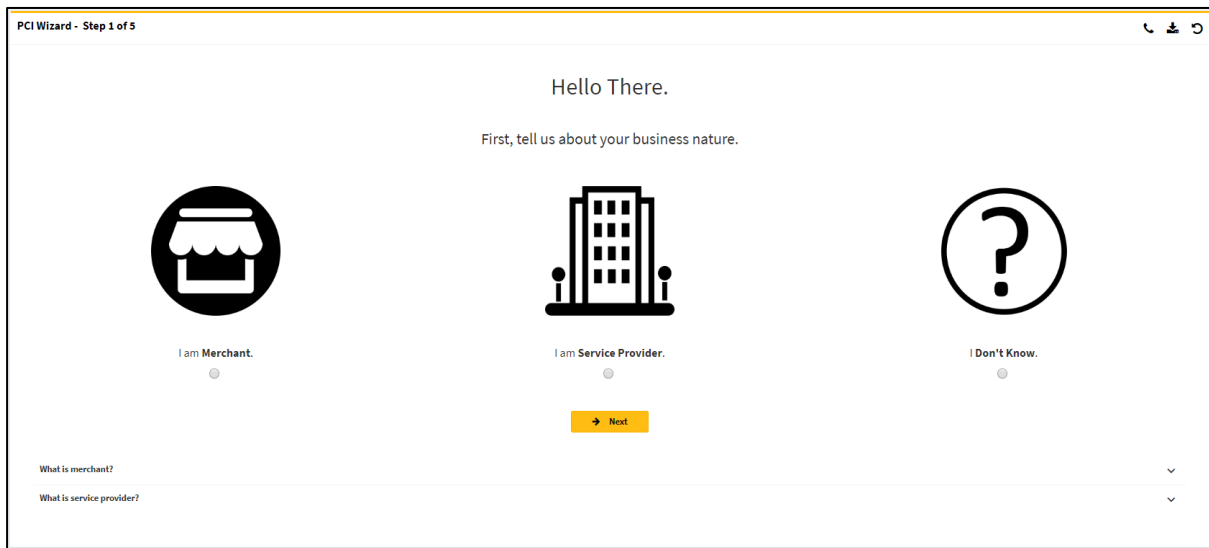

Figure 2: PCI Wizard Questions.

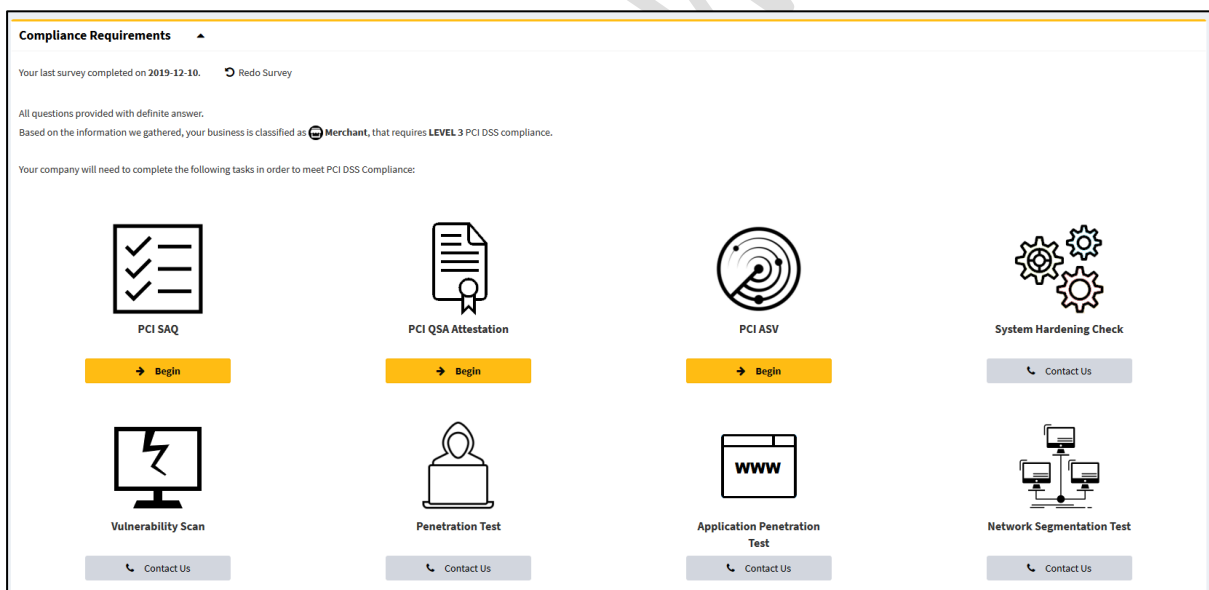

Figure 3: List of required activities to meet PCI DSS compliance.

PCI Wizard will then automatically identify organization’s type and compliance level required. Based on organization’s compliance level, list of activities needs to be done in order to meet PCI DSS Compliance will be displayed.
